AD GUIDE

Seize this opportunity to showcase your brand's environmental responsibility, connect with a passionate audience of green investors, and contribute to a sustainable future. Invest in ad space on DCLabs and become an integral part of the movement to combat climate change. Join us in building a greener world today.

HOME PAGE ADS

Please ensure that your image for the front-page ads complies with the following conditions:

- The image dimensions should be 800px * 250px.
- The file size may not exceed 1 megabyte.
- The content should be clear and legible, without any grammatical or spelling errors.
- All ad submissions will be thoroughly reviewed before being published to the public.

Please note that any ads that are not aligned with our brand ethos or violate our terms and conditions may be disapproved. If an ad breaches any rules, laws, privacy policy or our terms and conditions, the purchase amount might be forfeited.

Please carefully review all material before submission. Our goal is to maintain a professional and cohesive platform for our users, and we appreciate your understanding and adherence to these guidelines.

SINGLE PAGE ADS

Please ensure that your image for the front-page ads complies with the following conditions:

- The image dimensions should be 500px * 500px.
- The file size may not exceed 1 megabyte.
- The content should be clear and legible, without any grammatical or spelling errors.
